User Interface for Student Admission

Aim:

To design a user interface with direct selection for registration of a student for admissions.

Screenshots:

The screenshot displays the user interface for the NPS International School Admission Form. At the top, the NPS International School logo is on the left, and a navigation menu with links for Home, About Us, Our Programs, Gallery, and Contact Us is on the right. A prominent red 'Admission' button is also visible in the navigation bar.

The main heading is 'Application Form For Admission'. Below it, a note states: 'Please Fill in the following details accurately to ensure a smooth and efficient registration process. All Fields marked with an asterisk (*) are mandatory. Ensure that the information provided is complete and correct to avoid any delays in processing your application.'

The form is divided into several sections:

- Admission At NPSI School:** This section includes a 'Please Select Branch' dropdown menu (currently showing 'KPHP'), a 'Registration Number*' text field (containing '123456'), and a 'Photo of the Student' section with an 'Upload PDF/Doc' button.
- Student Information:** This section contains fields for 'First Name' (Nagendra), 'Middle Name' (Babu), and 'Last Name' (Yadav). It also includes 'Gender' (Male), 'Date of Birth' (DD/MM/YYYY), and 'Admission To Class' (4th).
- *Parent/Guardian (Father):** This section includes fields for 'Choose Relation' (Father), 'Father First Name' (Ashok), 'Father Last Name' (Babu), 'Email Address' (Example@gmail.com), 'Phone Number' (+91 123 456 7890), and 'Education Qualification' (B.Tech). It also has a 'Residential Address of the Parent/Guardian' text area.
- Parent/Guardian (Mother):** This section includes fields for 'Choose Relation' (Mother), 'Mother First Name' (Avarthika), 'Mother Last Name' (Aul), 'Email Address' (Example@gmail.com), 'Phone Number' (+91 123 456 7890), and 'Education Qualification' (B.Tech). It also has a 'Residential Address of the Parent/Guardian' text area.

At the bottom of the form, there is a red 'Apply Now' button with a right-pointing arrow. Below the button, a disclaimer states: 'If there are any errors or missing information, you will see validation messages next to the respective fields. Please correct the errors and try submitting the form again.'

Result:

To Design a user interface with direct selection for registration of a student for admissions was competed successfully.
